

Annual Air Emission Reporting *For The Manufacturing Operations*

Sierra Engineering is offering to prepare the annual South Coast Air Quality Management District's Annual Emission Inventory (AEIR) at a low cost for the various manufacturing processes. Our staff has extensive experience in conducting calculations based on actual process emission rate, and avoid using inflated emissions factors. If you need assistance in preparation of AEIR for:

- **Various Fuel Combustion Processes**
- **Volatile Organic Compounds Evaporation Rates**
- **SCAQMD Rules & Fugitive Organics, and Particulate Emissions**
- **Air Toxics Emissions, and Determining Site Specific**
- **Best Available Control Equipment Efficiencies**

Contact Sharie Isles at (949) 833-3455, or fill out the bottom part of the page, and fax or e-mail it back to us for a **free quotation** for preparation of the SCAQMD Annual Emission Inventory.
